Saturday, February 14, 2026 | 4:00–5:00 PM • VIP Lounge on the Show Floor

TIMEPIECE GRADING
SPECIALISTS

Palm Beach, FL (December 18, 2025) — The Palm Beach Show is pleased to announce a new highlight of its upcoming 2026 programming: an exclusive presentation with **Fred Savage**, founder of **Timepiece Grading Specialists (TGS)**, the world's first third-party authentication and condition-grading service for pre-owned watches. The event will take place on **Saturday, February 14, 2026, from 4:00–5:00 PM** in the **VIP Lounge** on the Palm Beach Show floor.

The presentation, titled “**Empowering the Collector in the Pre-Owned Watch Market,**” will offer attendees an inside look at transparency and innovation within the secondary timepiece market. Savage will discuss his personal collecting journey, the creation of TGS, and the company's mission to make expert-level knowledge accessible to collectors at all experience levels. Attendees will learn how TGS is reshaping the pre-owned watch landscape to help buyers and sellers transact with confidence—because, as Savage puts it, *everyone deserves to have an expert in their pocket.*

The session will be held during the **23rd Annual Palm Beach Show**, returning to the **Palm Beach County Convention Center** over **Presidents' Day Weekend, February 12–17, 2026**. Recognized as one of the nation's most prestigious art, antique, and jewelry
